

Divine Mercy School

April 6, 2016

Dear Parents,

Mandatory FACTS tuition meeting – April 13, 2016 at 7:00 p.m. Parents will be introduced more fully to FACTS, and will learn about new policies that will be put in place next school year. Mark your calendars and plan to attend. Child care will also be offered for those attending the meeting. If you are interested in this service, please notify the school office. We need to have a count of children so that enough “sitters” are available.

All outstanding tuition for this school year must be paid by Friday, May 6, 2016.

Food Pantry – Friday, April 8th

Our week began with prayer for family members and those traveling. We are also thankful that everyone returned from spring break safe and healthy.

During prayer in the hall on Monday we added two new members to our 100 AR Point Club. We did the “happy dance” for Arianna Viola in Miss Kuhlman’s first grade class. Tyler Head, a third grade student in Mrs. Gideon’s class, also reached 100 points. Congratulations to both of these students.

400 AR Points!!! Leslie Pollock, a sixth grade student in Mr. Linder’s class, reached 400 points! Leslie also achieved that goal last year. Good job Leslie! Keep reading! Reach 500 points before the end of this school year.

Next Monday, April 11th, our third through sixth grade students will be taking the spring testing required by the Diocese. As in the fall, our students will be taking the MAP Test (Measures of Academic Progress). This test will measure and evaluate the progress of our students as well as performance of our learning institution over time. The web-based MAP system supplies essential tools while helping teachers see the progress the students has made this school year.

Spring pictures will be taken by Lifetouch on Friday, April 8th. Order forms need to be filled out completely, payment enclosed in the envelope and returned to school before picture day.

Backgrounds may be chosen from the form or go online for more “looks” to choose from. Parents may chose from packages shown or create their own by mixing and matching sheets. You may order online before picture day with a credit card, or return the completed envelope.

Upcoming Events –

- Friday, April 8th – Food Pantry and Lifetouch spring pictures
