

We'll be waiting to post grades to Progress Book until Friday. When doing a trial run last night, there were some classes that aren't calculating correctly. We're in contact with the company to get the issues resolved. Sorry for any inconvenience.

Parent teacher conference confirmation slips are being sent home today. Thank you for 100% feedback! Mrs. Gerardot's conferences will take place in Mr. Linder's office. and her schedule will be posted in the office hallway. If you didn't register to meet with her, you can stop by the office hallway and look at her available times.

Don't leave conferences until you take the parent survey. We MUST have these completed for our school's accreditation process. Mr. Linder will be in the reading room helping you complete the survey.

Book fair guest lunch is scheduled for Tuesday, October 31st. We will eat in the gym. After lunch, you may return to school to purchase book fair items. Please let us know by Friday, October 27th, if you need a school lunch. The menu for the day is: Salisbury Steak, Mashed Potatoes w/Gravy, Green Beans, Dinner Roll w/Butter, and Fruit.

Thank you all for selling for the apple pie fundraiser! **Please finalize any orders and turn your forms into the school office as soon as possible.**

Red Ribbon Week got started with a glamorous pajama red carpet walk. Student wore pajamas to remind them to “follow their dreams” and not do drugs. More picture from the red carpet can be found on the parish Facebook page. Thank you to Andrea Schlueter for taking the pictures and posting them to download. You can access more pictures by going to the link below:

All boys and girls basketball players are required to have a sports physical. The physical form is being sent home today (and attached to email).

Mike Forrer and Dane Treece will be coaching the boys team this year. Kenny Slade will be coaching the girls team this year. Practice schedules are in the works. Soon we will have a basketball parent meeting night to discuss the upcoming season.

Classroom Spotlight

Our first and second grade have been hard at work throughout the first quarter! We have learned a lot already this year. In Science class, we are learning about inquiry skills. This led to a bit of a dance party courtesy of GoNoodle, as we learned about using these skills as part of the scientific method. Also, some of our class got to participate in the interactive Robin Hood play that the traveling theatre group put on! They did a wonderful job, and the rest of us really enjoyed the audience participation.
