

Divine Mercy School

September 16, 2015

Dear Parents,

Parents – School begins each day at 8:50 a.m. Students that walk or are brought by parents should not be at school before 8:40 in the morning. Teachers

use this time for planning and preparing for the day. Most days our teachers do not receive a break all day so this time is important to them. Thank you for your support!

We began our week thanking God for the many blessings He has bestowed upon us. We asked guidance for those making tough decisions. We prayed for travelers, those fighting cancer, for those suffering and fighting the fires in the west, our families and our pets.

School Pictures – The school pictures are **Monday, September 21st**. The picture envelope was sent home last week. If you did not receive one, call the school office and we will send a new one. All students will be photographed as these will be the composite pictures for our annual yearbook.

Friday, September 18th, will be the first mid-term. The reports will be in the September 23rd Wednesday Envelope.

For our new parents, food pantry takes place at the first Friday School Mass of every month. Students place in a basket on the altar non-perishable food items and paper products. These donations are then picked up and delivered to the Methodist Church for use in their food give-away. Thank you for your help in supporting this beneficial ministry.

Our fall fundraiser ended last Thursday. We sold \$9,738.00 in merchandise! Top seller was Eli Stuart selling \$890.00. In second place was Leslie

Pollock with \$435.00. Following close behind were Molli Shepherd with \$425.00 and Brody Rosswurm with \$423.00 in total sales. The top two sellers will

receive a gift card from Dairy Queen for their efforts. The orders will be processed and delivered on Tuesday, October 13th. The date for the reward party will be announced after the delivery of items. Thank you to all who helped support the students of Divine Mercy School.

I know that this information was sent home in an earlier letter, but needs to be repeated. If Paulding is delayed 2 or 3 hours for weather reasons, and Wayne Trace is on the regular schedule, Paulding buses will run 2 or 3 hours late. You may bring your child in, safety permitting, or you may let them ride the bus running on the 2 or 3 hour delay. They are not counted tardy when it is a weather related delay. If Paulding closes for weather reasons, and Wayne Trace remains open, there will be **no bus service to or from Divine Mercy School for that day.** If you choose not to bring your student to school, they will not be counted absent. **To make this shorter and to the point – Paulding will transport students to Divine Mercy School unless the Paulding school is closed for weather reasons. If you do bring your student to school, please notify the Paulding School so they know the bus does not have to pick up your child.**

It was a perfect day, (ok, it might have been a little rainy), for golf at Pleasant Valley Golf Course Saturday for the 7th Annual Nathan Rosswurm Memorial Golf Scramble!

There were 13 teams ready to begin after Father Poggemeyer said a blessing. With the last swing of the club, the winning team immersing was the Jeremy Daeger team and the John Labounty team claimed second. More info on silent auction prize winners and our profit will be in next week's letter. Thank you to all who supported our scramble and as always a BIG thank you to Michele Daeger and Kay and Ted Rosswurm and their families! You guys are the best and we appreciate all that you do for the school.

Thank you to all those who attended the PTA meeting held last Tuesday, September 8th. The PTA's purpose is to work with the school administration to promote

Divine Mercy School and enhance the quality of the membership. The membership is YOU! Your attendance at PTA activates your membership.

Being an active member of the PTA is a **responsibility** to your child and a **privilege** that allows you to voice your ideas, concerns and opinions. The PTA has accomplished many things over the years. **Please make plans to join us for the second meeting of the school year on Tuesday, November 10th.**

Respectfully in Christ,
Divine Mercy School Staff
